Parent Newsletter

École Marlborough Elementary School/604-664-8758

Principal: Mrs. Shelley Parks
Vice Principal: Ms. Eva Young
Head Teacher: Mr. Jeff Hutton
Head Secretary: Ms. Tatijana Sebez

Dear Parents

Today is Friday, March 11, 2016 it is the last day of school before Spring Break.

We will have some staffing changes after spring break. We say good-bye to Ms. Young, our Vice-Principal tomorrow. She will be the principal at Twelfth Avenue Elementary beginning March 29, 2016. Congratulations to Ms. Young! Mr. Hutton will then take the position of Vice-Principal and Ms. Michelle Chu will be our Interim Acting Head Teacher. Ms. Teichroeb will be teaching our Grade 7 Late Immersion class, Division 1, after spring break. We also welcome Ms. Daniel back to Marlborough. She will be teaching the Grade 5/6 French Immersion students in Division 10.

Next term we are implementing a West Coast recess for both the Primary and Intermediate students. That means, all students will go out to play even if it is raining unless the rain is torrential. Please dress your child for the weather. Rain boots and rain coats for wet days and sun hats and sunblock for hot days. The weather is unpredictable in the spring, but we know how healthy it is for children to get fresh air and exercise outside each day. Children of elementary school age should get at least 90 minutes of outdoor play each day. Thank you in advance for your support.

Reports cards go home after Spring Break on April 6, 7, or 8th. Please watch for them and be sure to call on Monday, April 11, 2016 if you haven't received your child's report.

Spring ahead! Remember to turn your clocks one hour ahead on Saturday night, March 12, 2016, before you go to bed.

We hope you and your family will enjoy this break and we look forward to the final term starting Tuesday, March 29, 2016. The first bell rings at 8:50 a.m. Happy Holidays!

Best wishes,

Mrs. Shelley Parks
Principal

École Marlborough Elementary School

Parent Feedback

We would like to thank parents for the comments forwarded in response to a feedback opportunity in our bulletins. We appreciate the comments and will act on those we can. We look forward to comments from parents each month.
